

### **Campaign Correction**

Through oversight, I wrongly claimed that I was the only candidate who is advocating live web casting of Convocation proceedings. While I am the only incumbent proposing this idea, my fellow candidate, Janet Leiper, has also proposed that Convocation and Committee proceedings be broadcast on the web. My apologies to Janet, whose candidacy I fully support. See her web site at [www.janetleiper.com](http://www.janetleiper.com).
