

In the last election two thirds of our profession did not vote. Is this turnout what we want?

Pick a reason for not voting;

- a. Convocation has no impact on my legal practice.
- b. It won't make any difference who I vote for.
- c. I don't know anything about the candidates or the issues.
- d. What is Convocation?

To cast your vote on this question and to see the results, please [click here](#).

I am committed to pressing for a more open, accessible and relevant Convocation. I need your support in this. To see my ideas on how to modernize Convocation, and to provide your input, I invite you to visit my website at www.falconerforbencher.com.
